Twenty-second Annual Council

The Church Pension Fund

THE PENSION ASSESSMENT

BY WHAT AUTHORITY PENSION ASSESSMENTS ARE MADE

BY the authority of the General Convention and by the concurrent action of the legislative powers of all of the sixty-eight dioceses of the Church, the Trustees of the Church Pension Fund levy, upon every parish and mission station, and upon every organization subject to the authority of this Church, that enjoys the privilege of the services of an ordained clergyman of this Church, a pension assessment, in this wise:

AMOUNT OF PENSION ASSESSMENT

THE pension assessment shall be equal to seven and a half per cent of the actual salary paid to a clergyman by a parish, mission, or Church organization.

Where the parish, mission, or other organization provides the clergyman with a rectory or other quarters, the money salary paid to said clergyman shall be considered as increased by one-sixth.

WHEN ASSESSMENTS ARE DUE

THE assessments are due monthly. If an assessment is not paid within thirty calendar days after it is due, interest at the rate of five per cent per annum attaches.

TO PARISHES AND MISSIONS

FAILURE in paying assessments prevents your clergyman from receiving benefits from this fund when age compels him to retire.

The Rev. William J. Hawthorne, Chairman of the Committee read the Report of the Finance Committee, as follows:

REPORT OF THE FINANCE COMMITTEE

OF THE

DIOCESE OF NORTHERN INDIANA

TO THE

Council Assembled February 4, 1920, and for the Year Ending December 31, 1919.

A period of only eight months has passed since the report of your Committee was presented to the Diocese.

The Church during this time has made history in the meeting of the General Convention in Detroit, and the further inspiration that has come to her through the Nation-wide Campaign.

Our Diocesan Council, complying with the request of the General Church, meets for the first time at the beginning of the new year four months ahead of her old schedule.

These events involve changes and readjustments which cause greater delays than ever in procuring an accurate and up-to-date financial statement of our Diocese and Parishes and Missions.

The period of about a month from the close of the year to the meeting of the Council is too short, even if every clergyman and official in the Diocese was prompt with his report, to allow your Committee to convene, confer, adopt a report and have it printed for the Council in February.

Owing to the short time elapsing between the end of the fiscal year, which now coincides with the calendar year, and the date of the Diocesan Council, and also the fact that we have not had submitted to us by either the Bishop or Treasurer of the Diocese any proposed budget for Diocesan expense, the Committee has been unable to sub-

mit to the Council an apportionment of the Diocesan expense for the coming year, and we therefore recommend that the Finance Committee be authorized as soon as the budget covering Diocesan expense can be compiled, to apportion such budget to the various Parishes and Missions in the Diocese, and that each Parish and Mission be advised of such apportionment.

The Committee appointed by General Convention to form a budget for the next three years and apportion the same on the Dioceses reported to us in November that the apportionment for Northern Indiana was $30,300 annually for the next three years. As the date of the every member canvass was set for December 7th your committee proceeded to apportion the above sum at once.

A meeting was held in Christ Church, Gary, in November and every clergyman in the Diocese was invited to be present. The small attendance handicapped us, but we moved with faith and courage and you are all acquainted with the special apportionment upon all the Parishes and Missions in the Diocese based upon former percentages for Diocesan and General Missions which practically quadrupled our previous obligations. Attention is called to the fact that the Diocesan Expense Fund is now, as it was, a part of your Parish budget and each Parish and Mission is responsible for its equitable share of this fund.

The results of the campaign in the Parishes and Missions are a matter of record which has not been presented to your committee, suffice it to say that the men and Parishes who caught the fire of this movement won, and these must ignite and help all the rest to that success which surely awaits them if they pray and work.

It is ours to inspire, and if Christianity faces a challenge from the world today what in God's name have we done to justify our Christianity! We cannot yet be trusted with taking things easy. We are to take up the torch which fell from the hands of our martyr boys.

If in some respects Northern Indiana is the least among the Dioceses we have to record, for our inspiration too, that in the crisis of the printers' strike in New York, when the Nation-Wide Campaign was held up, Northern Indiana, through the W. B. Conkey Co. of Hammond, saved the day and sent out direct around the world 7,000,000 pieces of literature at a cost of $5,000.00 for postage alone.

The Report of the Church Finance Committee to the General Convention, which was adopted, forces us to urge upon every clergyman and those in charge of Parishes and Missions to procure a copy of the same for the asking, 289 Fourth Avenue, New York City. In the Journal of 1918, page 19, we told you your duty as to certain questions and cannot now command you as regards Trust Funds and Insurance on Church Property.

The uniform system of accounts is again noted on page 9 of Report of the Church Finance Committee, all of which was adopted by General Convention. In conformity with this system, a Parish Cash Book has been prepared which will last six years, at the nominal cost of $3.00, which your Committee recommends for use in every Parish and Mission in this Diocese. The time has come for a resolution on this, which is appended.

Detailed property statements are required.

The budget system in every Parish is to be adopted.

All Parish funds from all organizations shall be accounted for

and all reports of all organizations as well as the Parish Treasurer report shall be audited by the proper appointed individual or auditor.

It is to be noted that of the total apportionment for the Church's Mission one-third is to be retained in the Diocese and the balance given to the General Work of the Church.

The Treasurer of the Synod of the Province of the Mid-West begs to call your attention to the financial obligation to the Province of each of the twelve Dioceses comprising the Province. This obligation is two-fold; first, a quota of $1.00 a year for each Bishop, Presbyter and Deacon in the Diocese; second, a yearly apportionment of 3 cents for every Communicant in the Diocese, a total apportionment on this Diocese of $152.51.

The Resolutions follow and for your convenience the apportionment on the Diocese and the Parishes and Missions is printed below. We believe these should be paid monthly. Resolved:

1. That in compliance with the action of the Church Finance Committee to the General Convention, and to complete the uniform system of accounts, the Diocese of Northern Indiana adopt the Parish Cash Book and each Parish and Mission is hereby required to purchase the same and begin its use January 1, 1920.

2. That the Diocese accept the apportionment of $30,300 annually for the Church's Mission, Diocesan and General, that the same be met by an apportionment of 8.22 per cent of the average current expenses of each Parish and Mission as reported in the last five Journals previous to, and including, the Journal of the year 1919.

3. That an assessment for Diocesan Expenses be laid upon the Parishes and Missions; these are not included in the Church's Mission apportionment, consisting of the proper percentage of the average current expenses of each Parish and Mission as reported in the past five Journals, and that of the sum raised $500.00 be given to the Bishop for the expenses of his office.

4. That each Parish and Mission be requested to have a standing resolution on their minutes instructing the Parish Treasurer to pay their Diocesan Expense Fund monthly.

5. That the Missionary Treasurer of the Diocese receive all moneys subscribed for the Church's Mission and that he be instructed to retain thirty-three and one-third per cent of the same for Diocesan purposes and forward the balance to the proper person authorized to receive the same.

6. That the Parishes and Missions be required to forward monthly to the Diocesan Missionary Treasurer all moneys received for the Church's Mission.

Respectfully submitted,
THE FINANCE COMMITTEE.

On motion of the Rev. E. W. Averill, seconded by Mr. Rae M. Royce, the report of the Finance Committee was accepted.

Resolution No. 1 was then read, and on motion of the Rev. W. J. Hawthorne, was adopted.

Resolution No. 2 was then read by Rev. W. J. Hawthorne, who moved its adoption, and the motion was sec-

onded. In discussion attention was called to the fact that in order to meet the Diocesan Apportionment, the aggregate of parochial expenses for five years would be required. Rev. L. C. Rogers moved as an amendment to the resolution that "41.1 per cent" be substituted in place of "8.22 per cent." The amendment was seconded by Mr. C. H. True, and adopted.

Mr. George H. Thayer moved as an amendment that the words "annually for three years" be inserted. The motion was seconded, and the amendment was adopted.

On motion the resolution as amended was unanimously adopted, and reads as follws:

Resolution 2. That the Diocese accept the apportionment of $30,300.00 annually for the Church's Mission, Diocesan and General; that the same be met by an apportionment, annually for three years, of 41.1 per cent of the average current expenses of each Parish and Mission as reported in the past five Journals previous to, and including, the Journal of the year 1919.

Resolutions No. 3, No. 4, No. 5, and No. 6, were then read, and on motion of the Rev. W. J. Hawthorne, each separately adopted.

On motion of the Rev. W. J. Hawthorne a vote of thanks was given to the W. B. Conkey Company, of Hammond, for their kindness in printing and presenting to the Diocese the Report of the Finance Committee and the list of the apportionments; and the Secretary was instructed to forward to the Company the appreciation of the Council.

Mr. George Truesdell Vail presented and read the report of the Treasurer of the Diocese, with the Financial Report of the "Diocese of Northern Indiana, Incorporated."

REPORT OF THE COMMITTEE ON AUDIT OF ACCOUNTS

The Auditing Committee begs leave to report that it has examined and compared the books of the Diocesan Missionary Treasurer with the bank statement, warrants drawn by the Secretary, receipts and cancelled vouchers and finds them to be correct.

Respectfully submitted,
(Signed) DONALD MACGREGOR,
Chairman Missionary Auditing Committee.

The Committee to which was referred the Annual Report of the Treasurer of the Diocese respectfully reports that he has examined the same, compared it with the receipts and vouchers, and finds it correct.

L. B. SLAUGHTER.

The Report of the Committee on Audit of Accounts was accepted.

Mr. Chas. H. True, for the Committee on Admission of New Parishes, reported that an application had been received from the Church of the Good Shepherd, East Chicago, with papers stating that, with the approval of the Bishop of the Diocese, a Parish had been legally incorporated, and the Rector, Wardens and Vestrymen had been duly elected at a Parish meeting held January 28th, 1920. That the Committee had examined these papers, and recommended that the request of the newly organized Parish be granted.

On motion the following was adopted:

Resolved, That the Church of the Good Shepherd at East Chicago, Ind., be allowed to assume the status of a Parish in union with this Diocese.

The Rev. John F. Plummer, for the Diocesan Board of Religious Education, read the Annual Report, as follows:

REPORT OF THE DIOCESAN BOARD OF RELIGIOUS EDUCATION

The Board of Religious Education of the Diocese this year has been especially interested in the Summer School held at Lake Wawasee June 16 to 21, 1919. This was the third annual Diocesan School of Religious Education and proved to be the most interesting and largest attended so far. Through the coöperation of the Women's Auxiliary with this Board, this schol is now an assured permanent institution of our Diocese. It has shown how much may be gained mentally and spiritually in one week of conference mingled with recreation, which is carefully planned. Church-school teachers, members of the Woman's Auxiliary, clergy and laity were attracted to the school, and all were amply repaid. At the last school Bishop White delivered a course of lectures on "Principles of Divine Worship." The Rev. Charles H. Young, of Chicago, lectured on "Parochial Organization," and Miss C. C. Griswold, of Chicago, gave a lecture on "Missions," Miss Vera Noyes, of Gary, gave a special lecture on "Hand Work in the Church School." Miss Mary May White, Miss Alice Goldthwaite, Miss Noyes, Father Young and a number of the clergy of the Diocese, conducted conferences on the various courses of the Christian Nurture Series of instruction for Church schools. Along with the educational side of the school there was the recreational side, which afforded much pleasure for both old and young. A most competent committee planned this feature of the school. There is never a dull day at the school, and the young people who attended last year are the greatest advertisers for the coming session this year. The spiritual life of the school was emphasized by the daily services held in All Saints' Chapel, which is on the conference grounds. The kind hospitality of Bishop and Mrs. White, the satisfactory arrangements at Vawter Park Hotel, the beautiful surroundings and the general good fellowship among those who attended, all made for the success of last year's school and offers the greatest attraction for the next session, which will be held June 21-26. Already the Program Committee has the greater part of the program arranged, which promises to have much riches in store. Falling in line with the plan of the General Church there will be three departments emphasized: Religious Education, Missions and Social Service. The clergy and laity are urged to attend. The young people of the Diocese are especially invited. This year a specialist in Young People's work will hold a conference for those interested in Young People's Societies. The Program Committee are ready to announce that national leaders will be among the speakers. Programs will be distributed throughout the Diocese. The Board of Religious Education therefore especially calls the attention of the Council and the Diocese to this coming session of the Summer School and recommends that each Parish and Mission send delegates. It asks that the

clergy and laity advertise the school in their respective Parishes and Missions and distribute the programs of the school.

Respectfully submitted,
(Signed) JOHN F. PLUMMER, Secretary.

The Report was received.

The Venerable Robert J. Long, Chairman of the Committee, read the following:

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH

The Committee on the State of the Church begs to submit the following Report:

In reviewing the work of the Church in our Diocese for the past year we wish to call attention to the marked reductions in the mortgage indebtedness of the Parishes and Missions in the year.

The inspiration of the Nation-Wide Campaign, and the advance in Diocesan and General Missionary interest and knowledge, is very marked, and we believe will bear fruit in the future.

We wish to call attention to the coming observance of the Twenty-fifth Anniversary of the Consecration of the Bishop of the Diocese, and ask for the coöperation of all in it.

Respectfully submitted,
(Signed) ROBERT J. LONG, Chairman.

The Ven. Robert J. Long presented the Annual Report of the Diocesan Commission on Social Service, which was, on motion, received.

REPORT OF THE SOCIAL SERVICE COMMISSION

The Social Service Commission of the Diocese begs leave to present the following Report:

During the past year the Commission held two meetings. The first at Lake Wawasee during the Summer School, for organization. The Archdeacon was elected Chairman, and Mr. E. M. Parker, Secretary. The members attending the Provincial Synod and the General Convention were requested to follow the Social Service work in the Church at the respective meetings, and report.

The second meeting was held at Delphi, Ind., when a District meeting on Social Service was held in St. Mary's Church, with an address by the Rev. George Craig Stewart, D.D. Another District meeting was held in St. Andrew's Church, Kokomo, with the Rev. Dr. Stewart as speaker.

These District meetings have been adopted as the best means for the Commission to function in the Diocese. It is planned, therefore, to hold District meetings throughout the Diocese from time to time.

The Commission wishes to express its appreciation of the valuable services rendered to the Diocese through the visits of the Rev. Dr. Stewart and the Rev. Dr. Rollitt.

Addresses have been made in a number of Parishes and Missions of the Diocese by the Chairman of the Commission, and a report to

the Annual Meeting of the Woman's Auxiliary by Mrs. J. P. Wason, a member of the Diocesan Commission.

The Commission wishes again to recommend the institution of Social Service Study Classes in the Parishes and Missions of the Diocese.

Respectfully submitted,
ROBERT J. LONG, Chairman.

The Rev. John F. Plummer, Secretary, presented the Report of the Missionary Committee, which was, on motion, received.

REPORT OF THE MISSIONARY COMMITTEE—DIOCESE OF NORTHERN INDIANA

The Missionary Committee of the Diocese of Northern Indiana respectfully reports: That at a meeting held the evening following the adjournment of the twenty-first annual Council the Rev. John F. Plummer was elected Secretary of this Committee for the ensuing year.

The appropriations for missionary work in the Diocese were authorized as follows: East Chicago, $800; Indiana Harbor, $900; Valparaiso, Hobart and Chesterton, $750; Gary, Italian work, $600; Gary, Educational work, $250; South Bend, Hungarian work, $800; Bristol, $700; Kokomo, $600; Gas City, $200; Hartford City, $600; Archdeacon, $1800; Secretary, $100; Treasurer's bond, $5. At a subsequent meeting the Committee authorized an additional appropriation of $200 for Hartford City, making a maximum total for Hartford City of $800, provided that St. Luke's Mission, Hartford City, raise an equal amount. During the year all Stations and Missions have been ministered to by the same clergy as last reported, except Bristol and Hartford City, which became vacant during the year. These charges, however, are now filled. During the summer months services were maintained at All Saints' Chapel, Lake Wawasee. A number of the clergy of the Diocese gave their services for this work, and the Committee express their appreciation and thanks to these men.

Respectfully submitted,
(Signed) JOHN F. PLUMMER, Secretary.

Mr. E. D. Gaston, Chairman, presented the following Report, which was, on motion, received:

REPORT OF THE COMMITTEE ON THE CHURCH PENSION FUND, FOR THE YEAR ENDING DECEMBER 31, 1919

Your Committee begs to report that the majority of Parishes and Missions are paying the premiums on the Church Pension Fund with business-like promptness. The aggregate record, however, is not as creditable as that of 1918, when we were among the few who reached almost 100 per cent. on the books of the Fund. The delinquencies on December 31, 1919, amounted to $489.09, with interest $10.37 added, classified as follows:

Parishes and Missions, due on premiums	$199.32	Interest $3.72
Non-parochial clergy, due on premiums	240.40	Interest 6.55
Board of Missions, due on premiums	49.37	Interest none

With the exception of the non-parochial clergy, nearly all these delinquencies are from Parishes and Missions who have had a good record in the past, but who have not remitted to the home office in time to have the amount credited before January first. Every effort has been made to impress on the non-parochial clergy the importance to them and their families of keeping up their payments, which are so much lower than the same benefits would cost from any old line insurance company.

Your Committee again insists upon the importance of meeting these payments monthly instead of allowing them to accumulate until they become a burden. The premium is a fixed charge upon the Parish, and should be paid with the same prompt regularity as your gas and electric lights.

The Diocese has been singularly blessed in the health of its clergy. At the close of almost three years' operation of the fund but one clergyman is entitled to benefits, he receiving the full disability allowance.

E. D. GASTON, Chairman.
REV. W. D. ELLIOTT, Secretary.

The Rev. James A. Miller, Chairman of the Nation-Wide Campaign Committee, being absent on account of illness, the following was read by the Secretary of the Diocese:

REPORT OF THE COMMITTEE ON THE NATION-WIDE CAMPAIGN TO THE COUNCIL, FEBRUARY 4, 1920

This report is dictated from a sick bed by the Chairman. Having been appointed by the Bishop of the Diocese to this important office, your Chairman attended the National Committee meeting in Chicago, June 6th, where plans for the work were secured and immediately put into execution in the Diocese. Later a conference was held at Lake Wawasee, and with the Rev. E. Reginald Williams, of Milwaukee, subsequent conferences were held at Gary, Elkhart, Marion and Peru. The conferences held ended with one at South Bend. The result of all these conferences was that our outline study blanks were promptly returned and the Committee was enabled to have the Diocesan Survey in the hands of the Central Committee in New York by August first.

Our Survey was in with the first twelve.

The Diocesan Survey was made from the outline Study Blanks by the Executive Committee, the Bishop and the Archdeacon of the Diocese.

The Intensive Study Blanks came back from New York promptly, and were in the hands of those asking assistance by August 12th. These were all promptly returned with the exception of Hartord City. It never came back.

The literature began arriving about September 1st. The Rev. R. E. Carr undertook the distribution of the same. Through an extra rush of parochial work he was unable to distribute any of the literature until October. This was a great loss to the Campaign, for the Church paper subscription blanks were all held up and the Communicants of the Diocese did not have the chance to take advantage of the

special rates. A few Parishes had the blanks and secured a great number of subscriptions.

From the first of October the literature was distributed from Michigan City by your Chairman as promptly as it was received.

Owing to the shortage of literature the Chairman resorted to an equitable distribution of the same.

During October and November the Chairman personally visited all the Parishes and Missions requesting his aid. Several of the clergy and laity rendered valuable service in the various places helping to put the Campaign over.

At a special meeting of the Diocese called by the Bishop in Plymouth, November 19th, the Every Member Canvass was fully discussed and the apportionment for the general work for the Church was accepted, and by an almost unanimous action it was resolved to put on the Every Member Canvass in the Diocese according to schedule time, Sunday, December 7th.

The Diocesan Apportionment was not known at this time.

A majority of the Parishes and Missions had their canvass on that date and a few since.

The reports at present indicate that about two-thirds of the quota on the Diocese will be pledged.

The Chairman wishes to call attention to the fact that he was unable, either by letter or telegram, to get a report from the remainder of the Parishes and Missions.

This report would not be complete without stating that Mr. Sweeny, Secretary of the Committee, rendered the most valuable assistance. He compiled our Diocesan Survey, and it was in such splendid shape that the Committee in New York called special attention to it.

He wishes to add that the Diocese made no provision for financing the Campaign, although it accepted its program.

He has asked Mr. Fobes to report for the Committee what was done towards financing the Campaign in the Diocese.

J. A. MILLER, Chairman.

NOTES

Hammond exceeded its quota both for Parish and for the Church's Missions. New life is evident in every branch of the work, and the Rector's salary has been increased to $2,500. The Parochial Committee is now a permanent organization. The work must advance.

Gary has gone over the top in its appropriation for both Parish and the Church's Mission.

Delphi has reached the goal.

Kokomo over the top both for Parish and Church's Mission.

Gas City over top for Parish and exceeded quota for Church Mission by 40 per cent.

Marion exceeded Parish quota by over 10 per cent and Church's Mission more than 15 per cent above quota.

Fort Wayne, $11,736.

Howe had a quota of $198.00 for Church Mission and raised over $405.00.

Michigan City did not reach quota, but canvass showed three times as much subscribed for Missions as ever before.

Logansport during the past year has been doing a big work for the Parish. This, I believe, to a great extent, obscured the work of the Nation-Wide Campaign.

LaPorte has failed to reach quota.

Goshen raised about 60 per cent of quota.

Peru raised about one-fifth of quota.

Plymouth raised about 20 per cent of quota.

East Chicago hopes to have canvass this month.

Indiana Harbor raised about 35 per cent of quota.

The priests in charge of the Italian and Hungarian missions did not have the canvass. They thought the conditions in their missions did not warrant it.

Elkhart will probably have their canvass this month.

South Bend postponed canvass.

Mishawaka, Valparaiso, Hobart, Hartford City and the Archdeacon have not yet reported.

NATION-WIDE CAMPAIGN COMMITTEE
JAMES A. MILLER, Chairman.

A statement was also submitted by the Chairman showing expenses incurred amounting to $215.78. Amount received from Mr. W. W. Fobes, Treasurer, $26.89, leaving balance due the Chairman, $188.89.

On motion of Mr. Chas. H. True, the amount due the Rev. James H. Miller was ordered paid by the Treasurer of Missionary Funds from the first amounts turned in on the Nation-Wide Apportionment.

On motion, the Secretary was directed to extend to Rev. James A. Miller an earnest expression of appreciation and gratitude of the Council for his efficient management of the Nation-Wide Campaign in this Diocese.

On motion of the Ven. R. J. Long, the thanks of the Council were expressed to all the members of the Nation-Wide Campaign Committee.

The Ven. Robert J. Long, Archdeacon of the Diocese, then read his Annual Report, which, together with his Diary, was received and placed on file.

(See Appendix B.)

It was moved by Mr. John M. Sweeney that, in view of the work yet to be done in the Nation-Wide Campaign, that the large Committee appointed at the last Council be discharged and a new and smaller Committee be appointed. The motion was seconded and carried.

The Right Reverend the Bishop then appointed the following to serve as

THE NATION-WIDE CAMPAIGN COMMITTEE

The Rev. James A. Miller, Michigan City.
Mr. John M. Sweeney, Gary.
Mr. Chas. H. True, Hammond.
Mr. E. C. Borneman, Elkhart.
Mr. Harry Hall, Gary.

The Bishop here withdrew from the Council, calling the Chancellor of the Diocese, Mr. Stuart McKibbin, to the Chair.

REPORT OF THE COMMITTEE ON THE BISHOP'S ANNIVERSARY

The Venerable Robert J. Long, Chairman of the Committee on the Observation of the Twenty-fifth Anniversary of the Consecration of the Bishop of the Diocese, The Rt. Rev. John Hazen White, D.D., reported that arrangements had been made for a banquet in honor of the Bishop on Wednesday, April 28th, at 6:30 p. m., at the Oliver Hotel in South Bend, with a suitable number of speakers; that a special service commemorationg that event would be held at 10 o'clock a. m. on Thursday, April 29th, in St. James' Church, South Bend, at which the Rt. Rev. W. A. Leonard, D.D., the Bishop of Ohio, would preach the Anniversary sermon.

The Rev. E. W. Averill addressed the Council urging a full attendance of the clergy and laity of the Diocese at the Anniversary Celebration.

Mr. Thomas H. Brandon, also of the Anniversary Committee, addressed the Council on the progress made by the Committee in securing funds for an Episcopal Residence stating that the matter had been held in abeyance on account of the Nation-Wide Campaign, but would be taken up with new vigor in the near future.

The Rev. Earl Thomas Jennings, of Howe School, brought cordial greetings from the Rev. J. H. MacKenzie, D.D., who was prevented by illness from attending this Council. On motion, the Secretary was instructed to convey to Dr. MacKenzie the affectionate greetings of the members of the Council, express the regret of all that he could not be present, and assure him that he had the earnest prayers of all for his speedy restoration to health.

INCREASE OF BISHOP'S SALARY

The Rev. E. W. Averill moved the adoption of the following:

Resolved: That the salary of the Bishop of the Diocese be increased by $1,200.00, in addition to the amount received from the Endowment Fund.

The resolution was seconded and adopted.

On motion the Finance Committee was instructed to add this amount to the Diocesan Budget, and lay an assessment on all the Parishes and Missions of the Diocese to conform to this regulation.

On motion of Mr. D. J. Campbell, seconded by the Rev. W. J. Hawthorne, the salary of the Secretary of the Diocese was increased to $200.00 per annum.

It was moved by the Ven. R. J. Long, that an annual appropriation of $50.00 be made to the Secretary for Office Expenses. The motion was seconded and carried.

On motion the Secretary was also voted the sum of $20.00, to reimuburse him for extra expenses during the past year.

The Right Reverend the Bishop here returned to the Council and resumed the Chair.

TREASURER OF MISSIONARY FUNDS

The Secretary was instructed to cast the ballot for Mr. William G. Elliott for Treasurer of Missionary Funds. He did this, and Mr. Elliott was declared elected.

REGISTRAR

On motion, the Secretary was directed to cast the ballot for the Rev. James A. Miller as Registrar. He did this, and Rev. James A. Miller was declared elected.

Nominations were made for Delegates to the Synod of the Province of the Mid-West. The Rev. Edwin E. Smith and Mr. Harry Hall were appointed Tellers. The ballots were cast, and the Tellers retired.

The Tellers returned to the Council, reported three Priests and four Laymen elected as members of the

MISSIONARY COMMITTEE

The Rev. William J. Hawthorne. Mr. J. Alvin Scott.
The Rev. Wilbur D. Elliott. Mr. William G. Elliott.
The Rev. John F. Plummer. Mr. Cosmo C. Ellwood.
Mr. E. D. Gaston.

On motion, the Secretary was directed to cast the ballot for the fourth Clerical member of the Missionary Committee for the Rev. William J. Cordick, he having received

the next highest number of votes. This was done, and he was therefore declared elected.

The Secretary then read the following communication, which he had received from the Diocesan Branch of the Woman's Auxiliary, with the request that he should bring it before the Council:

PETITION FROM THE WOMAN'S AUXILIARY

(1) Whereas, Canon 58 was adopted by General Convention; whereby the Woman's Auxiliary to the Board of Missions becomes Auxiliary to the Executive Committee, and, as that Committee is to Control Religious Education and Social Service as well as Missions, we, the delegates to the annual meeting of the Woman's Auxiliary to the Board of Missions in the Diocese of Northern Indiana, now assembled in Trinity Parish, Fort Wayne, petition the Bishop and Council at their annual meeting in South Bend, February 4th, to change the name of their organization to the "Woman's Auxiliary to the Executive Committee," so that our work may include Religious Education and Social Service, as well as Missions. We also petition the Council to substitute this organization known as the Woman's Auxiliary to the Executive Committee for the Diocesan House of Church Women, recommended by the Council at their annual meeting in 1918, as the work of the Auxiliary to the Executive Committee includes the three departments of Church work, viz: Missions, Social Service and Religious Education.

(2) Whereas the delegates from this body to the Triennial at Detroit voted for a Church League of Service, such League being a Federation of Existing Societies and in no sense a merger, we, the delegates to the annual meeting now assembled in Trinity Parish, Fort Wayne, petition the Bishop and Council at their annual meeting in South Bend, February 4th, to authorize a Diocesan Organization of the Girls' Friendly Society and a Diocesan Organization of the Church Periodical Club, to be in no sense a merger into the Woman's Auxiliary of the Executive Committee, but such Auxiliary to be authorized to promote these societies, looking after their welfare, until they are thoroughly organized and officered; after which time this organization known as the Woman's Auxiliary to the Executive Committee recommends that a Diocesan Church League of Service be formed along National lines.

(3) The above organizations necessarily entail larger expense, and as all moneys are to be placed into one fund for the work of Missions, Religious Education and Social Service, outlined by the Nation-Wide Campaign, we, the delegates to the annual meeting assembled in Trinity Parish, Fort Wayne, petition the meeting in South Bend, February 4th, to authorize an annual budget of $100 for the work of the Woman's Auxiliary, to include postage, stationery and traveling expenses of officers; and instruct the Diocesan Treasurer to pay over the same to the Treasurer of the Woman's Auxiliary, as soon as they are organized.

(4) Whereas Religious Education has been a part of the work of the Woman's Auxiliary for the past three years, and under the

new plan will be recognized as a part, the delegates assembled at this annual meeting recommend that the salary of Miss Vera Noyes, Education Secretary at Christ Church, Gary, be increased in order that Miss Noyes may visit all Parishes and Missions in the Diocese, holding conferences with Church School teachers, and assisting in planning the work; that she be one of the regular teachers in the Vawter Park Summer School, and that she be asked to serve as Diocesan Secretary of the Juniors, in the Educational Department, and help promote the new Junior plan throughout the Diocese.

On motion, the requests as set forth in Section 1 of the petition were granted.

The same action was taken regarding Section 2, and the organization of the Girls' Friendly Society and the Church Periodical Club were authorized.

The request in Section 3 was granted, and the expenditure of $100 per annum for those purposes authorized.

The request in Section 4 was considered not in order for the Council, and no action could be taken.

On motion of Mr. D. J. Campbell, seconded by the Ven. R. J. Long, the Bishop was requested to kindly express to the Rev. Mr. Green and the Ladies of the First Methodist Church, South Bend, the thanks and appreciation of the Council for kind invitation to use their spacious dining rooms for the serving of the luncheon to the Council.

The following resolution was unanimously adopted:

Resolved, That the thanks of this Council be extended to the Rector, Wardens, Vestrymen, and the ladies of St. James' Parish for their generous hospitality and cordial reception; and to the choir for the beautiful musical service rendered.

DELEGATES TO THE PROVINCIAL SYNOD

The tellers returned to the Council, and reported that as the result of the ballot for Delegates to the Synod of the Province of the Mid-West, the following had received a sufficient number of ballots to constitute an election:

The Rev. John F. Plummer,	Mr. J. Alvin Scott,
The Rev. Duncan Weeks,	Mr. L. B. Slaughter,
The Rev. Wilbur D. Elliott,	Mr. Archie Price,
The Rev. Earl Thomas Jennings,	Mr. John M. Sweeney.

The Right Reverend the Bishop then declared these duly elected.

On motion the form in which the Journal should be

printed was left to a Committee appointed by the Bishop, consisting of the Secretary, Mr. D. J. Campbell, and Mr. C. C. Ellwood.

The minutes were then read, corrected, and approved; and after suitable devotions, and benediction by the Right Reverend the Bishop of the Diocese, the Twenty-second Annual Council adjourned *sine die.*

President.

Secretary.

APPENDIX A

The Bishop's Address

1920

Twenty-five years of service together in the building up, strengthening, improving, enriching the Kingdom of God among men, with all the hallowed memories that cluster around that service, call us to a joyous and grateful Eucharist today. These years have not been without their cares, pressing heavily upon the heart; their burdens, taxing our strength and faith to the utmost; without their intense anxiety and their arduous labor. Many have been the hours of keen solicitude over important work projected, but temporarily in jeopardy, where anxiety had to be carried alone, while wisdom was sorely taxed to meet successfully the exigencies of the hour and face the issue in confidence and quietness.

We have never been a numerous body in the large and complex population of this important portion of Northern Indiana, contiguous as it is to the great and ever advancing metropolis of Chicago, the center of the commercial life of the heart of this mighty Empire. Problems that could have been met, and borne, and conquered by a strong body of co-religionists, became serious when confronting us. Nor have our financial burdens been light and easy,

for we have not possessed wealth, consecrated wealth, to which to turn for the means to avert loss or to push opportunity. We have been under the stern necessity, which has perchance been one of our chief sources of strength, of trusting in God, and exerting our energies to the fullest to commend the Church and her distinctive teaching and beautiful worship to a community, in some small measure at least, hostile to her precious traditions; and unwilling to surrender them in order to curry favor and win applause. Our campaign has been of a different sort calling for the exhibition of all the sweet graces of Christian character, to win men to us rather than surrender to them.

But these years, so abundant in labors, have been marked by many and signal blessings which I joy to chronicle today.

Foremost among them I count the unity, cordiality, and amity which have marked these years of service, "How beautiful a thing it is for brethren to dwell together in unity." Never have theological animosity or the bitterness of religious strife intruded themselves into our household of Faith, to mar the fraternal intimacy of our relations or that freedom of administration which the Church in her broad wisdom has accorded to every man. No shibboleth has ever been adopted for admission to our ranks, our love and our support. One only condition determines our status in this Diocese, unswerving loyalty to the Church, her faith, and the duty she lays on us. The cheerful readiness to spend and be spent in that service invariably wins recognition and honor here. A pure personal life, consistent with its religious professions, is honored among both Clergy and Laity. To the world, for twenty-five years, we have presented not merely a pure and rational faith, and a worship that is helpful because

it beautifully symbolizes what it teaches, but abounding in charity and good will, and busy in alleviating, so far as its abilities would permit, the sorrows and troubles incident to human life. A course, may I say, which has gone very far to obliterate the harsh opinion which, twenty-five years ago, in many places, was entertained of what was pleased to be called, "the Church's haughty arrogance." When we note how rapidly our brethren are adopting what in our Faith and practice they once so vigorously condemned we may assure ourselves that they have found somewhat in us worthy of imitation and adoption. So in quietness, I am sure we have ministered to the enrichment and upbuilding of Christ's Kingdom and the establishment of peace and good will among men. For this spirit of amity, unity, cordiality and charity I have always been most thankful and today bless God's Holy Name.

Then I have to thank God for a most devoted, courteous and considerate Laity. No Bishop could have been accorded more respect, or greater trust and confidence, or more generous support, than have been accorded me during these years of difficult administration. When mistakes have been made, and they have by no means been few, your patience and generous indulgence have challenged my highest admiration and deepest gratitude, while your cheerful willingness to follow my counsel and advice, in spite of the mistakes, have contributed largely to the confidence and courage with which I have faced each new problem as it arose. I treasure this as a very sacred memory, never to have lost your affectionate confidence and support. To that I attribute much of the blessing that has come to the Diocese during these years. For this, the immeasurable blessing and happiness of a devoted Laity, I bless God's Holy Name today.

Then how shall one charged with the administration of so great and grave a task, as the care of all the Churches involves, express his appreciation of having been strengthened and supported by a body of co-workers; his Clergy, at once men of pure and Godly character, gifted in teaching, with dignified regard for their divine mission, untiring in their labors, loyal in their allegiance, and generous in their appreciation of well meaning leadership? Never so amply provided for as to be free from anxiety and stern economy and self-denial, but never murmuring or complaining, thereby the further increasing the burden and anxiety on the Bishop's heart, when his unswerving affection could not correct or remove the trials. Always extending with hearty cordiality the hospitality of their homes, and their grateful commendation of his efforts to strengthen their hands, support them in their trials and perplexities and, where it was possible, lighten the load a little. Consecration is the only term that can fairly define such a body of priests as God, in His wisdom and goodness, has been pleased to give me through all these years of rugged work in guiding a new and feeble Diocese toward maturity. The only Distinguished Service Medal that can be given for this noble work, well done, is that which the Great Captain shall give without partiality to all who with commendable fidelity have done that which He has entrusted to them. For such a body of Clergy, endeared to me for all time by their true loving coöperation in this task set by the Master, whether hard or easy, I bless God's Holy Name today.

Then lastly how shall I name the blessings which God has been pleased to bestow upon His own cause. Where men only prophesied disaster and failure, we may look back over a long line of unanticipated

successes. The old worn-out church buildings are all gone; and in their places are new and appropriate places of worship. The old burdensome debts, which chilled the spiritual life of God's people, are all gone; may we not piously hope never to be incurred again? The old, careless, indifferent spiritual life has given place to a throbbing realization of A Living Lord in a Living Church, to Whom we confidently come for all the blessings of His Holy Passion. "Strong in the Lord and in the power of His might," will the Diocese of the future approach its worship and its work. Many new Missions have come successfully through their initiatory struggles and are rapidly developing into new parishes. As I addressed, two weeks ago, a Men's Club of sixty strong, earnest, serious men of the Mission of the Good Shepherd, East Chicago, I could not but recall the days when I used to go for service to ten or twelve devout people worshiping in Odd Fellows' Hall. When I visit St. Andrew's, Kokomo, with its large and efficient Sunday School and now nearly three hundred Communicants, I recall the tears I shed as I was forced to surrender the old mortgaged property, because it was not worth the face of the debt. When I go to Hammond, and find one of our best, most active, most generous Parishes, do you blame me if I recall the time when it was just a struggling mission and the noble priest, serving it on a salary of six hundred dollars, on which he was supporting his wife and three boys, and did it uncomplainingly for years? St. Alban's, Indiana Harbor, had its day of dark and gloomy things when there seemed small hope of resucitating life. Today it promises to be one of the bright jewels in our crown. St. Andrew's, Valparaiso, where I first ministered in a little, cramped, and exceedingly hot upper chamber, has weathered its trials and might,

if it would, assume parochial character at once. St. Luke's, Hartford City, blundering along awkwardly at first, as a boy in his first new boots, has found itself now; and I feel quite sure will give evidence of its right and determination to live and grow and do its work as the best of us. These are some, a few, of the gracious answers God has been pleased to bestow in answer to our faith, our prayers, and our work. Seven years ago I went to South Bend to help in my humble way its brave people out of a debt, that had almost crushed out their courage. Earnestly has that purpose been adhered to, so that by a last strenuous effort, during last October, the final obligation of the parish was met; some necessary improvements, calling for a further expenditure of three thousand dollars, also paid; and on the second of November I had the exquisite pleasure of Consecrating this beautiful Church. In addition to this great undertaking, the Parish has met all its obligations, at home and abroad, and closes the last fiscal year with every obligation met and a small balance in the treasury. For these many mercies, from one end of the Diocese to the other, and affecting nearly every parish and mission, as well as our now noted school for boys, I bless and magnify God's Holy Name today.

During the year 1919 I neither lost nor gained a clergyman. There were no changes among the Clergy save changes of cure. I know of no such record before in any Diocese; and for this blessing God's Holy Name be praised.

With the completion of this aggressive campaign I have felt that it is time for me to relinquish all other duties save those strictly Episcopal and have therefore asked St. James' parish to relieve me of the further direction of its parochial affairs; which will be done as soon as they can determine to whom

to entrust their future service. Some changes among the parochial clergy, which should be chronicled, have occurred during the year. The Rev. Geo. H. Richardson resigned Trinity Church, Peru, to become rector of Trinity Church, Logansport. The Rev. Edgar T. Pancoast was elected rector of Trinity Church, Peru, which necessitated his surrender of St. Luke's, Hartford City. The Rev. W. W. Daup resigned St. John's, Elkhart, in July; and has more recently taken charge of St. Luke's, Hartford City. The vacancy at St. John's, Elkhart, has just now been filled by the election and institution of the Rev. Walter J. Lockton; thus bringing back to us one greatly beloved in the earlier years of the Diocese, and the first Secretary of the Diocese for seven years. Thus I am able to report at this, to me, most sacred anniversary of my Consecration, every post in the Diocese filled by able men and the Diocese in most excellent condition. Do you wonder that today I have reason to bless and magnify God's Holy Name?

Among the Church's richest treasures are the lives and consecrated service of all those who having finished their course in faith do now rest from their labors, in the confidence of a certain faith, in the communion of the Catholic Church, in favor with God, and in perfect charity with the world. These we reverently commemorate, and for their bright examples bless and magnify God's Holy Name.

And now with this duty, and sweet privilege, discharged, let us give our attention to the imperative demands of the future. There is but one subject, and that a momentous one, that claims our attention, and demands our serious and wise consideration and legislation at this Council, "The Nation-Wide Campaign," or as the Bishop of Massachusetts has more felicitously termed it "The Church's Call to Duty."

The consideration of this question demands at this time your serious thought and most considerate action. Let me say at the outset that this is no longer a problematic question. By the action of the last General Convention, enacted after long discussion, and with great enthusiasm, the Church has revolutionized her whole method of doing business; to which we must wisely adjust our methods or suffer loss to our own interests. Let me then for a time consider what this Nation-Wide Movement is, what it involves, and what it necessitates: because nowhere in the country has it been universally adopted, but is in process of evolution. The sooner we adjust ourselves to the new method the better it will be for us. In order to put it before you intelligently let me quote the words of two of our greatest and wisest leaders, the Bishop of Chicago, and the Bishop of Massachusetts. These are the words of the Bishop of Chicago: "Back in the Richmond Convention of 1907 I introduced a resolution into the General Convention, requesting the Board of Missions to make a survey of the whole Church for the purpose of relating her resources to her needs and responsibilities. Nothing came of it. Later on, when I had the honor of being a member of the Board of Missions, I succeeded in persuading the Board to sit for a day as a Committee of the Whole, with the idea of getting a bird's- eye view of the whole world situation. On both of these occasions I was regarded as being somewhat disagreeable; in which, unhappily, I have too much skill. And now, lo and behold! The Nation-Wide Campaign is doing the same thing, on a scale so grand and so magnificent as to capture the imagination of us all and convict us of our past sins. The Nation-Wide Campaign commends our absolute admiration and our unbounded enthusiasm. There is only one word in the whole program that I

somewhat dislike, and that word is indispensable for us. It is the word "Campaign" itself. For the word Campaign might possibly imply some spasmodic effort; or it may perhaps mean some bold and brilliant dash toward victory, to be followed by inaction, or reaction. The Nation-Wide Campaign means to me, or it tends at any rate to mean, the unification of the Church from one end of the land to the other. It is a Campaign of education that cannot fail to consolidate and unify the Church. It is a Campaign which tends to gather up the more or less heterogeneous unrelated parts and bring them together into a national unit; brethren of the Church, if it even squints in that direction not even the most eloquent Archangel in heaven could depict half its beauty or its glory. So far as this Church is concerned it begins with a survey. It surveys the resources of the Church, from one end of the world to the other—its men; its women; its children; its churches; its Sunday Schools; its rectories; its hospitals; its homes; its benevolent, charitable, and educational institutions; its plans; its programs; its problems—and having gathered these up into a single program, it puts the entire work of the Church before every man, woman, and child in the Church as a single unit; and then, when we have gathered up all our resources, and when we have classified our needs, we shall find there are Bishops needed, and Priests, and Deacons, and Deaconesses, and Sisters, and trained Lay-workers, and trained Sunday School workers, and efficient Vestrymen, and all sorts of things. And then we go, with the whole program before the Church, and we are not going to ask them the silly and stupid question "How much are you going to give towards the Campaign" but "are you going to give a son, or daughter; or moral support; or spiritual power; or time;

or money; not to this or that or the other little thing, but to the entire program of the Church in which your own Parish problem is included. This is the most worth-while thing I have ever seen attempted in the Episcopal Church. It is going to rejuvenate and regenerate the Church. After getting certain vital statistics the survey comes to this very pregnant question: What plan or program are you carrying out? Now if I were Irish, I would say, at that point, that we have discovered already a powerful weakness. It is at that point that the Nation-Wide Campaign, up to the present time, has done incalculable service. It has revealed the fact that there were Parishes and Dioceses in large number that could not articulate their program. They could not initiate their plans: They could not exactly say what they were here for; where they were going, or what they were trying to do. Now a Parish without a program; a Diocese without a program; a Priest without a program, is like a sailing vessel without a sail. It gets nowhere." He goes on at some length developing the idea of what a Parish is, and what a Diocese, but I do not think it wise to detain you on this study, interesting as it is. I now turn to the words of the Bishop of Massachusetts:

"My dear People, these are critical times everybody says: you think so too. All our institutions and traditions are being tested; our business, our methods of education, even the constitution of the country, and democracy. The Church and our faith must meet the test of this new era. Are we ready for it? Are we content with things as they are? Or shall we set to work to put the Church in better shape for community and world service. Your answer will, I know, be "Yes, of course we will." Anticipating this, I am, with the support of the Clergy and many men and women organizing a cam-

paign called, "The Church's Call," which is our Diocesan expression of the Nation-Wide Campaign. It is a Call to a deeper personal religious life and faith, for as the strength of the Nation rests upon the individual citizen, the strength of the Church rests upon the faith and character of each member. It is a Call also to the study of the parish; the diocese; the Church in this country and in foreign fields. It is a call to service that each man, woman, and child may have, and be responsible for, some place in the service of Christ, for the Church or for the public. The Diocese is already organized. Laymen and women are in charge, with the Clergy supporting them. From Sunday, January 11, to Palm Sunday, March 28, we shall all turn to the study and strengthening of the personal life; the Parish, Diocese, and the whole Church and find out our place of service: keeping all thought and talk of money in the background. Holy Week will, we trust, be a real Holy Week throughout the Diocese. Then after Easter and after we have all been made intelligent as to the needs and work of the Church, we shall all make such gifts and pledges in money as our hearts and sense of duty prompt us to make. Be in Church next Sunday, I ask you, that you may hear more definitely what this Campaign means to the Church, and especially to yourself. I depend upon your loyalty and enthusiasm. Remember that the Church, like every Institution, is on trial today as never before. Let us help to make her what we know she should be, as pure, strong and living as the body of Christ."

Now with these two quotations before you the whole subject is outlined in its twofold aspect, the spiritual and the practical. The spiritual is first and most important, the enlisting of us all in an earnest work of education; not the education of our-

selves alone, but the education of the whole community in which we live, through the active and earnest work of ourselves, to disseminate the information touching the Church's opportunities, resources, duties, and needs; which this wonderful survey has furnished, to every home, every man, woman and child: and, wherever it can be accomplished, stimulate all to the highest and most generous discharge of duty; and then out of that gather the fullest power possible for the discharge of that duty. Some of you acting on the Church's challenge have promptly set the wheels in action and with wonderful results; results I could have hardly deemed possible; not the least of which has been the enlarged spiritual blessings to the Parish itself. Some of us, for one reason of another, are lagging behind and missing our grand opportunity. Now, my brethren, the sooner we get into line the better it will be for all concerned. For the Church has not only projected this movement, but has changed her whole method of administration with which we must be in accord, if we are to share in her blessings and growth. She has discarded her Board of Missions; her Board of Religious Education; her Board of Social Service; and all other unrelated bodies, and has placed the whole administration of the Church's work, of whatever sort, under one strong central body, consisting of a Presiding Bishop, eight Bishops, eight Priests and sixteen Laymen. These men, elected by the General Convention, are of the strongest men in the Church. This organization they recommend for adoption in every Diocese for the conduct of its business. This puts our work temporarily in jeopardy. We have most important Missionary work that has been aided by the General Church. We have a body of brave Missionary Clergy, whose salaries must be paid monthly. But

how? Just now some of us are working under one system; some under the other. Some under the old plan of assessments laid on us by our own Finance Committee, who have annually prepared the budget which gave us the means with which to work. Some of you will work on the plan of the Nation-Wide Campaign, having made your canvass and taken your pledges for this current year. Unless there is great care in operating your system we shall have trouble, until we get onto one plan. Let me point out some of the necessary steps. The Nation-Wide Campaign provides that all moneys for other than parochial purposes be sent to the Diocesan Treasurer, and by him divided; reserving one third for Diocesan needs, and sending the other two thirds to New York for the General Work. In Pennsylvania and Chicago I see they reserve one-half. Why there should be this difference I am unable to state. Now we have two Treasurers, and I suggest that you designate the "Treasurer of Missionary Funds," to receive these remittances, leaving the Diocesan Treasurer to handle, as he has done, the Trust Fund and the Diocesan Expense Fund. The Diocesan Expense Fund is of great importance and must not be lost sight of or neglected. Those who by their own choice will operate under the old plan will make their remittances direct to the Diocesan Treasurer. But for those who operate under the new plan, instruction should be given the Treasurer handling such funds to remit to the Diocesan Treasurer the amount assessed against such Parish for Diocesan expense out of the moneys sent him by such parishes. Again, if we are to avoid trouble it will be necessary that all make their remittances monthly, and very promptly. Many of you have made a splendid record thus far; but it is essential that system and great care be taken that these sums

pledged do not lapse, but are collected and remitted promptly. It will be fatal to the whole work to let them accumulate until the end of the year, and then be repudiated. Whether this Diocese shall adopt the plan of the Bishop and Council for managing its affairs, or retain its present machinery, is for you to decide. It all requires wise thought and careful legislation, but it is the most insistent business today. In closing I lay before you my Journal with the following summary of statistics.

APPENDIX B

Report of the Archdeacon

To the Rt. Rev. John Hazen White, D.D., and members of the Council:

I herewith submit my fourth annual report as Archdeacon of the Diocese. I append my Diary.

The work of the Church, and especially her Sacraments and services, has been carried on in the missionary parts of the Diocese in general the same as in the past three years. I have found it necessary to rearrange the schedule of some of my visits and services in the mission stations, the same as has been necessary in each preceding year.

There have been some distinctive signs of greater interest and renewed life in much of the missionary work that is assigned to me. However, the problems in the rural field are about the same, and probably will remain the same for many years to come. Our work is to make the Church and her tenets known in this large and important field, where today she is entirely unknown. Only time, patience and zeal will accomplish anything. I spoke at length of this at the last Council.

I want to take this opportunity to again speak of St. Mary's Church, Delphi, and our work there. The church fabric comprises as beautiful a church building as can be found most anywhere in a town of its size, and has a spacious rectory beside it, with most beautiful grounds surrounding all. The attendance at all of the services of the Church is most gratifying and encouraging. You may remember I reminded you before that they have about fifteen faithful Communicants. In the past six months the Church has been filled and overflowing on three occasions, in addition to their Christmas congregation, which numbered about one hundred and fifty, when the Senior Warden, acting as Lay Reader, took the service. The Church School, numbering about twenty a year ago, has increased about 50 per cent. They continue to meet and overpay their assessments and apportionments. They met their Nation-Wide Campaign quota and are planning to re-decorate the Church and make some improvements on the rectory. This historic Parish stands in the midst of seven counties, as the only building representing the Church and her Faith. I feel the time has come for wider knowledge of our work there. Surely this is a distinctive illustration of rural work and an illustration of possibilities of the Church in rural communities. I think the Church people are capable of even greater things, and I believe they will do them. I ask for the co-operation and assistance of the entire Diocese in doing the "outside" part of this interesting work.

Again I want to thank the Woman's Auxiliary and the Missionary Committee of the Diocese and the Bishop for all their interest in the Missionary work of the Church in our Diocese.

Respectfully submitted,

ROBERT J. LONG.

Minutes of the Twenty-second Annual Meeting

Trinity Church, Fort Wayne, Ind.,
January 13-14, 1920.

The Twenty-second Annual Meeting of the Northern Indiana Branch of the Woman's Auxiliary to the Board of Missions was held at Trinity Church, Fort Wayne, Ind., January 13 and 14, 1920.

On Tuesday, January 13th, at 3 p. m., Rev. Leicester C. Lewis, of the Western Theological Seminary, Chicago, conducted a most inspiring and uplifting "quiet hour." At the close of the quiet hour delegates were assigned to their hostesses, at whose homes they were entertained.

At 7:30 p. m. the missionary service was held; Rev. E. W. Averill, Fort Wayne, said the evening service. Rev. C. C. Rollit, Secretary of the Sixth Province, preached a most helpful and instructive sermon, "Let not your heart be troubled: ye believe in God, believe also in me" being his text. Hymns 95-66-65 were sung. The offering amounted to $14.58, to be used for Diocesan Missions.

After the service an informal reception was held at the rectory.

At 7 o'clock Wednesday morning, Jan. 14th, the Auxiliary made its Corporate Communion, with Father Averill, Celebrant: The offering at this service amounted to $2.49.

At 8 o'clock breakfast was served.

At 9:30 the business session was called to order by the President. Archdeacon Long said the opening prayers, and extended a welcome to the delegates. The President then appointed the following Resolutions Committee: Mrs. Fickencher, South Bend; Mrs. Wason, Delphi, and Mrs. Archie Price, Marion.

Mrs. Boedefeld read a letter from Miss Lindley, regarding the Church League of Service; also the following resolutions carried at the Provincial meeting:

Resolved: That the Fund known as the Milwaukee Plan be abolished, and a new Fund be created, a Provincial Discretionary fund, to be known as the "Carry On" Fund.

The money in this fund may be voted by the House toward any one, or divided among two or three projects, within the Province, by any one of the three general committees.

Second Resolution: The House Recommends that this Fund be raised by a contribution of at least ten (10) cents from every Churchwoman in the Province. The raising of the Fund shall be in the hands of the Diocesan Authority electing or appointing the delegates to the Provincial House of Church Women.

Mrs. Melcher, Secretary, and Mrs. Cordick, Treasurer, read their reports which, on motion, were adopted.

In the absence of Mrs. True, General Missions Treasurer, the Secretary read her report. A motion was made that the report be adopted, and that a greeting expressing hopes of a speedy recovery be sent Mrs. True. Carried.

It was moved, and carried, that a message of sympathy be sent from the Auxiliary now in session to Mrs. Walter Muessel, South Bend.

The report of the United Offering Treasurer, Miss Johnson, was given. A motion was made that the report be accepted, and a vote of

thanks be extended to Miss Johnson for the effort she put forth in bringing the work up to its high standard. Carried.

The Educational Secretary, Miss Goldthwaite, gave her report, which was adopted. She also gave an outline of the duties of her office.

The Secretary read the report of Mrs. True, Chairman of the Michigan City district, which was adopted.

Mrs. Boedefeld read resolutions adopted at the Triennial, expressing the appreciation of the Auxiliary for the faithful service of Misses Julia and Margaret Emery.

Dr. Rollit gave a most interesting and instructive talk, telling of the revolution of the administration of the Central Executives of our Church work; reason for the Nation-wide Campaign; of the problem of the Negro; of the rural district; and of the city.

Miss Goldthwaite gave an explanation of the working of the plan of the Auxiliary to the Executive Committee.

Noonday prayers were said by Father Averill.

Mrs. Boedefeld read plans for raising the Expense Fund of the Executive Committee. Dioceses are to be entered in classes, according to their contribution. Motion was made that this Diocese enter Class C, to contribute $10 for the expense of the Executive Committee, the same to be paid from the Central Expense Fund. This was properly seconded and carried.

Mrs. Wason, of Delphi, member of the Social Service Commission of the Diocese, told of the importance of Social Service work.

The meeting was adjourned for luncheon, which was served in the Parish room.

At 1:30 the President called the meeting to order, and introduced Mrs. Robert B. Gregory, Chicago, who addressed the meeting on "Missions in China," and the "Girls' Friendly Society in America."

Because of the death of his parishioner, Mr. Walter Muessel, Bishop White was unable to attend the meeting, and Father Averill read the appointment of officers for the coming year, as follows:

President, Mrs. Edward W. Averill, Fort Wayne.
Secretary, Miss M. Gertrude Green, Fort Wayne.
Box Secretary, Mrs. Wm. Brackenridge, Delphi.
Treasurer, Mrs. Wm. J. Cordick, Plymouth.
Chairman for Missions, Miss Alice Goldthwaite, Marion.
Chairman for Religious Education, Mrs. C. J. Grant, Kokomo.
Chairman for Social Service, Mrs. Wm. Meade, East Chicago.
United Thank Offering Treasurer, Mrs. F. J. Boedefeld, Elkhart.

A rising vote of thanks was given Mrs. Boedefeld for the efficient work done during her three years of office.

The new President was then introduced.

It was moved that the offering at this session, which amounted to $19.10, be used for General Missions, to be a special for Bishop Morrison for the rebuilding of the church in Fergus Falls, Diocese of Duluth, the money to be sent to the General Missions Treasurer. This was carried.

It was moved and carried that the following recommendation be presented to the Council to be held in South Bend, February 4th:

(1) Whereas, Canon 58 was adopted by General Convention, whereby the Woman's Auxiliary to the Board of Missions becomes Auxiliary to the Executive Committee, and as that Committee is to Control Religious Education and Social Service, as well as Missions,

We, the delegates to the Annual Meeting of the Woman's Auxiliary to the Board of Missions in the Diocese of Northern Indiana, now assembled in Trinity Parish, Fort Wayne, petition the Bishop and Council at their Annual Meeting in South Bend, February 4th, to change the name of their organization to "The Woman's Auxiliary to the Executive Committee," so that our work may include Religious Education and Social Service, as well as Missions. We also petition the Council to substitute this organization, known as the Woman's Auxiliary to the Executive Committee, for the Diocesan House of Church Women, recommended by the Council at their Annual Meeting in 1918, as the work of Auxiliary to the Executive Committee includes the three departments of Church work, viz.: Missions, Social Service, and Religious Education.

(2) Whereas, The delegates from this body to the Triennial at Detroit, voted for a Church League of Service, such League being a Federation of existing societies, and in no sense a merger, we, the delegates to the Annual Meeting now assembled in Trinity Parish, Fort Wayne, petition the Bishop and Council at their annual meeting in South Bend, February 4th, to authorize a Diocesan Organization of the Girls' Friendly Society, and a Diocesan Organization of the Church Periodical Club, to be in no sense a merger, into the Woman's Auxiliary of the Executive Committee, but such Auxiliary to be authorized to promote these Societies, looking after their welfare, until they are thoroughly organized and officered, after which time this organization, known as the Woman's Auxiliary to the Executive Committee, recommends that a Diocesan Church League of Service be formed along National lines.

(3) The above organizations necessarily entail larger expense, and as all moneys are to be placed into one fund for the work of Missions, Religious Education, and Social Service, outlined by the Nation-Wide Campaign, we, the delegates to the Annual Meeting assembled in Trinity Parish, Fort Wayne, petition the meeting in South Bend, February 4th, to authorize an annual budget of $100 for the work of the Woman's Auxiliary, to include postage, stationery, and traveling expenses of officers; and instruct the Diocesan Treasurer to pay over the same to the Treasurer of the Woman's Auxiliary as soon as they are organized.

(4) Whereas, Religious Education has been a part of the work of the Woman's Auxiliary for the past three years, and under the new plan will be recognized as a part, The delegates assembled at the annual meeting recommend that the salary of Miss Vera Noyes, Educational Secretary at Christ Church, Gary, be increased, in order that Miss Noyes may visit all parishes and missions in the Diocese, holding conferences with Church School teachers, and assisting in planning the work; that she be one of the regular teachers at Vawter Park Summer School; and that she be asked to serve as Diocesan Secretary of the Juniors, in the Educational Department, and help promote the new Junior Plan throughout the Diocese.

Mrs. Boedefeld, the new United Thank Offering Treasurer, read the resolution on the new United Thank Offering cards.

After Roll Call the Committee on Resolutions made the following report:

Whereas, The women of Trinity Parish, Fort Wayne, have extended to us a cordial welcome, and have been untiring in their efforts to make our stay a pleasure,

Resolved: That we extend to Father Averill, the Rector, our thanks, and to the women of the parish our appreciation of their hospitality.

Resolved, That we express our appreciation to Rev. L. C. Lewis, of Chicago, for the "quiet hour;" to Rev. C. C. Rollit, of Minnesota, for his excellent addresses; and Mrs. Robert B. Gregory, of Chicago, for her presentation of the work of the Girl's Friendly Society, and talk on Missions in China,

Resolved: That we express our gratitude to the Archdeacon, and other Clergy of the Diocese for their interest and co-operation in the work of the Auxiliary.

Resolved: That we express our regret that our dear Bishop is unable to be with us.

Resolved: That we extend our thanks to the officers and chairmen of the various committees, for the excellent work accomplished during the past year.

Resolved: That we pledge our support, and co-operate with officers to execute the work of the Auxiliary during the coming year.

(Signed)

MRS. L. S. FICKENCHER,
SUSAN EDSON WASON,
MRS. ARCHIE PRICE.

On motion the resolutions were accepted by a rising vote.

In the absence of Father Plummer, Miss Goldthwaite told of the Summer School to be held at Vawter Park June 21 to 26, 1920.

The minutes of the meeting were read by the Secretary, corrected, and approved.

On motion the meeting adjourned.

Respectfully submitted,

GRACE S. MELCHER,
Secretary.

District Reports

REPORT OF THE CHAIRMAN OF THE FORT WAYNE DISTRICT OF THE WOMAN'S AUXILIARY

January 7, 1920.

At the Annual Meeting of the Woman's Auxiliary held in Hammond in May, a new District was created consisting of Fort Wayne, Huntington, Marion, Gas City, Kendallville, Garrett, Howe, Hartford City and Columbia City, to take its name from Fort Wayne.

One meeting of the district was held in Gas City on the 28th of October, attended by Representatives from three stations. On account of the great distances in this district it was decided to call the meetings neighborhood, instead of district meetings, that there might be no lack of interest charged to those stations not having representation on account of distance. It was hoped that there might be two or more neighborhood meetings each year, with one general meeting for the whole district held in the late spring, when it might be possible to have all stations represented if the weather was favorable for motoring.

Minutes of the Meeting are attached.

At the request of the box secretary, a box was sent before Christmas to the Rev. Francis Bloy, Mesa, Ariz., in which Marion, Gas City, Howe and Fort Wayne took part.

Respectfully submitted,
CARRIE B. AVERILL,
Chairman.

REPORT OF THE FORT WAYNE DISTRICT

The Fort Wayne District of the Woman's Auxiliary held the fall meeting in St. Paul's Church, Gas City, Oct. 28, 1919. The meeting

was opened by singing "My Country, 'Tis of Thee," followed by the Creed and prayers.

An interesting report was given by Mrs. Boedefeld on the Triennial. This was followed by a very interesting talk by Miss Goldthwaite on the Parish plans of the Nation-Wide Campaign.

Noonday prayers were read by Archdeacon Long. Father Miller, of Michigan City, explained the Diocesan plan of the Nation-Wide Campaign in a very interesting manner. At 12:30 the meeting was adjourned for luncheon.

The afternoon session was opened at 2 o'clock by the singing of a hymn, followed by the greetings to the delegates by Father Johnston. The roll was then called, and response was heard from Fort Wayne, Marion, and Gas City. There were six from Fort Wayne, and fourteen from Marion. There were also visitors from Michigan City, and Elkhart.

Then followed a very interesting and illuminating talk by Bishop Aves on his work in Mexico. A collection which amounted to something over twenty dollars was taken for his work there.

Father Averill gave a very interesting report of the General Convention, after which Mrs. Boedefeld gave a short talk on the "House of Church Women."

REPORT OF THE MICHIGAN CITY DISTRICT

The Fall meeting for the District of Michigan City was held Oct. 31st, at the Church of the Good Shepherd, East Chicago.

Mrs. Boedefeld gave us a splendid report of the Triennial, and outlined the new plans that are to go into effect shortly.

Father Hawthorne gave us "Echoes from the Convention."

Archdeacon Long, in the absence of Bishop Aves, told us in most glowing terms and vivid pictures, of the heroic and devoted work being done by the Bishop of Mexico in the face of overwhelming obstacles.

The remainder of the program was devoted to the Nation-Wide Campaign. Father Young of Chicago, Father Miller, our Diocesan Chairman, Miss Goldthwaite, Chairman of our Women's Work in the Diocese, and Mr. True of the General Committee, all spoke on this subject and spurred us on to intense and consecrated effort to bring this wonderful undertaking for the Kingdom of Christ to a successful culmination.

It was the largest meeting ever held in our District. Every Parish and Mission was represented. We had an attendance of seventy-five, which included the seven priests of the District, Archdeacon Long, Rev. C. H. Young of Chicago, our Diocesan President, and Ed. Secretary.

The ladies of the Parish entertained us delightfully at luncheon.

The offering was for General Missions, $17.78.

Respectfully submitted,

ETHEL P. TRUE,

Chairman.
